<div style="padding: 5px;"><ol style="list-style-type: none"><li>1. The FDIS Scheme Manager will review your FDIS Certificated Inspector Registration and Application, alongside your supporting evidence, to determine if you are a suitable candidate to progress. The supporting evidence you need to provide is outlined in the FDIS Inspector approval process. An application fee is applicable.</li><li>2. In order to become a certificated inspector, you will have to undertake and pass a combination of revision, theory and assessment in the form of the <b>FDIS Certificated Inspector Workbook and online assessment activities, Portfolio, Onsite Assessment, written Examination and the FDIS Approval Process. Further details are outlined in the Fire Door Inspector Candidate Information Document (Doc Ref. FDIS46)</b>. You have 12 months from date of purchase to complete both Stage 1 and Stage 2 of the Certificated Inspector training and assessment.</li><li>3. Prior to starting the FDIS Certificated Inspector assessment process, you will be issued with a copy of the FDIS Inspector Information Sheet (Doc. Ref. FDIS19) and the FDIS Inspector approval process (Doc. Ref. FDIS47).</li><li>4. Once you have completed stage 1, you will be notified if you have met the standards to progress on to stage 2. If you fail to meet the required standard in either stage you will be notified on the areas, where you have not met the required standard.</li><li>5. Once you have passed Stage 1 you have to be assessed in the workplace carrying out an onsite practical assessment and written examination to ensure you can demonstrate you have the correct knowledge, skills and expertise to inspect fire doors in a real live environment. The onsite assessment will be carried out by an approved assessor and there must be a minimum of 10 doors to inspect. If the number is less than 10, the assessor has the right to cancel the assessment. You will still be charged for this service, and you will have to re-book a further assessment.</li><li>6. The candidate will be responsible for producing their own inspection checklist for use in their onsite assessment, prior to becoming an approved FDIS Inspector.</li><li>7. The FDIS will make reasonable adjustments where candidates have medical conditions and/or learning difficulties. Please notify the FDIS in advance if you require reasonable adjustments to be made.</li><li>8. In applying to become a Certificated Inspector, you are agreeing that all documentation and evidence submitted at the application stage and throughout, is valid and authentic.</li><li>9. As part of your application, you will be asked to submit photo identification that will be shared with the examiner. The examiner will then check the same photo ID on the day of your assessment to confirm your identity.</li><li>10. In applying to become a Certificated Inspector, you are agreeing to comply with the certification requirements and to supply any information needed for the assessment.</li><li>11. Approved Certificated inspectors will be required to pay an annual fee of £500.00 + VAT to the FDIS, at the start of each calendar year.</li></ol></div>
